IMPACT OF INITIATIVES

The progress of the very large majority of our identified children was in line with or above national expectations.

The **SERVICE PREMIUM** for children whose parents are currently serving in the armed forces was £200. There were no service families at Ashford Park during 2011 - 2012.

2012/13

In 2012/13 the funding has been increased to £600 per pupil and extended to include pupils who have been eligible to receive FSM at any point in the last 6 years.

At Ashford Park we have 56 eligible pupils and our funding will therefore be £33,600 in 2012/13.

We will be extending our initiatives of 2011/12 to include the additional pupils and also the amount of intervention time that the pupils have.

The **SERVICE PREMIUM** has risen to £250 and is designed to address the emotional and social well-being of these pupils whose parents are currently serving in the armed forces.
