

Bushcraft

Our children in years 3 and 4 had a wonderful residential experience, camping in the great outdoors for three days this week. The children had an incredible time and returned, exhausted, filthy, yet VERY happy!

Lunch time multi skills clubs

We send our thanks to Miss A'Bear for arranging for a specialist sporting company to run ten 30 minute, fun-filled multi-skills sporting clubs at lunchtime.

'I love it, as I run off some of my energy!'

Mindfulness

The staff received training on 'Mindfulness' last week and from now on all children will experience at least two sessions of 'Mindfulness Moments' during the school day. Children will be encouraged to be still and quiet for a short period of time and use their senses to pay attention to the world around them.

Mindfulness is a mind and body based approach which can help individuals to manage their thoughts and feelings and contributes to positive wellbeing. In education, mindfulness has been linked to improved mental

health in children and the development of resilience and determination.

Please see Mrs Makepeace if you require any further information.

Naming of clothing

Please ensure all items of clothing are clearly marked with your child's name. This will enable any lost items to be returned to your child.

Reporting Absences

If you need to report your child's absence, please use the voicemail facility rather than call the office, as the office is exceptionally busy in the mornings. It is not necessary to call to see if we have received the message, as we would call you if it wasn't received. Please use option 1 and leave the message for the absence. Thank you for your support.

October
