'Inspiring a love for lifelong learning'

2nd November 2017

Dear parents/carers,

As a values-based school, we are constantly looking for opportunities to 'inspire a love for lifelong learning' and to support our children in becoming well-rounded, confident and successful individuals.

We have discussed our current values with the children and have asked them which they think are most important to them and our school community.

To ensure that our values are a true reflection of our whole school community, we would like to ask for your views on the values that you think are, or should be, most important to Ashford Park Primary School and our families.

We refer to our values in all aspects of the school day: in lessons, assemblies, play times and relationships.

Currently we focus on a new value each month that is revisited on a rolling two year programme:

| | | | | | |
|--|--|--------------|--|------------|--|
| Trust | | Perseverance | | Compassion | |
| Sharing | | Unity | | Patience | |
| Empathy | | Humility | | Care | |
| Appreciation | | Belonging | | Confidence | |
| Aspiration | | Respect | | Fairness | |
| Harmony | | Freedom | | | |
| Forgiveness | | Peace | | | |
| Self-belief | | Hope | | | |
| Olympic Values: friendship, excellence, respect, courage, determination, inspiration, equality | | | | | |

Please could you tick the values that you feel are most important to APPS and our children, or suggest alternative values that you believe inspire a love for lifelong learning;

Yours sincerely

Mrs L Allen
