

ASHFORD PARK PRIMARY SCHOOL FREEDOM OF INFORMATION

1. INTRODUCTION: WHAT A PUBLICATION SCHEME IS AND WHY IT HAS BEEN DEVELOPED

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

The scheme covers information already published and information and which is to be published in the future. All information in our publication scheme is available in paper form and information will also be available for you on our website to download and print off.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. AIMS AND OBJECTIVES
