

Ashford Park is a 'Values' school and we have been developing our understanding of British Values:

- **Democracy**
- **Rule of Law**
- **Individual Liberty: Freedom for All**
- **Mutual Respect and Tolerance**

We think that these values should be Global values and not just British Values, as they are important for everybody in the World.

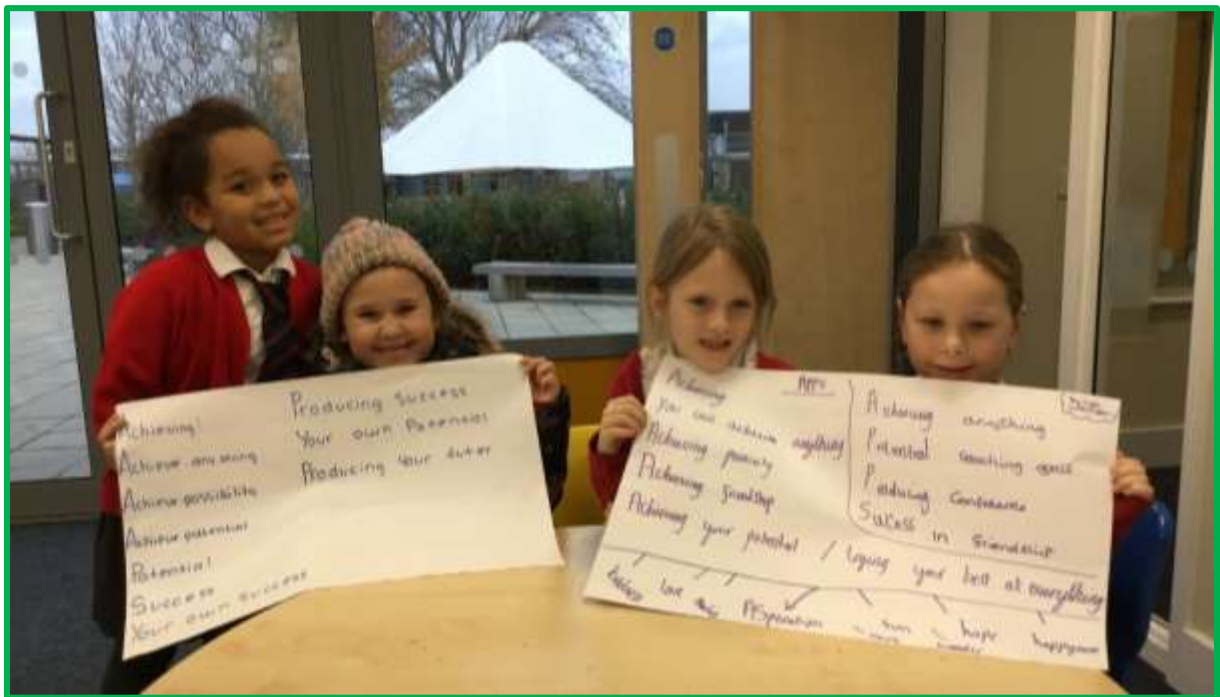

Did you know that these books tell stories about different values, which are important to different people from all around our World:

- ***Resilience***
- ***Compassion***
- ***Forgiveness***
- ***Reflection***
- ***Sharing***
- ***Kindness***
- ***Belonging***
- ***Empathy***
- ***Aspiration***
- ***Perseverance***

At Ashford Park we have created a mnemonic from the first letters of our school name, **Ashford Park Primary School**, which demonstrate our values:

- **Achieving**
- **Potential**
- **Producing**
- **Success**

Potential, friendship, confidence, goals, future, possibilities, trying your best.
