

Ashford Park Primary School

'Inspiring a love for lifelong learning'

29th June 2023

Dear Parents / Carers,

The NEU have proposed that further strike action takes place on the 5th and 7th July 2023. Teachers belonging to the NEU have chosen to strike due to the chronic underfunding of schools, including Teacher pay which is one symptom of this underfunding, which also negatively impacts on Teacher recruitment. The majority of teachers feel that our children's education is being damaged every day by strained school budgets and that this is no longer acceptable.

Our staff have no obligation to tell us if they will be striking, therefore please see the following table which indicates which classes will be closed to pupils on **Wednesday 5th and Friday 7th July 2023.** Further classes will also close if the class teacher does not come to school and we will send an email to inform you that the class is closed as close to the start of the school day as possible. **Because of this uncertainty, we recommend that you make alternative childcare arrangements both days.**

We are sorry about the potential disruption to you and your family and understand just how frustrating this situation will undoubtedly be, but we would like to assure you, that our school remains committed to providing a safe and secure environment for our pupils and staff on these days of strike action.

Kind regards,

Mrs Sarah Tarrant
Head Teacher
