Welcome to your new account

Welcome to your new account: _____@ashford-park.surrey.sch.uk. Your ashford-park.surrey.sch.uk administrator decides which Google Workspace and other Google services you may access using this account.

Your organization administrator manages this account and any Google data associated with this account (as further detailed here). This means that your administrator can access and process your data, including the contents of your communications, how you interact with Google services, or the privacy settings on your account. Your administrator can also delete your account, or restrict you from accessing any data associated with this account.

If your organization provides you access to administrator-managed services, like Google Workspace, your use of those services is governed by your organization's enterprise agreement. Besides these terms, we also publish a Google Cloud Privacy Notice.

3) Click on the nine dots in the top right corner and choose Google Classroom.
