

Ashford Park Primary School

'Inspiring a love for lifelong learning'

Year 2 Spring 1 - Home learning

This half term we are going to be learning about living things, including animals in our science lessons. In History we will be learning about Florence Nightingale, Edith Cavell, Mary Seacole and Rosa Parks.

Please choose one activity listed below from either subject to complete.

The deadline for bringing projects into school is Friday 2nd February.

Animals including humans.

1. Create a healthy meal for your family that includes something from each food group.
2. Keep a food diary for a week that shows all the different food groups you eat. Challenge: Can you spot which day was your healthiest and why?

History – Significant Individuals.

1. Can you create a fact file, leaflet or poster about Mary Seacole?
Challenge: Can you find out where a statue has been put up celebrating Mary Seacole in England?
