

## Year 6 Spring 2

### Home learning

This half term we are going to be learning about South America in our geography lessons and Living Things and Their Habitats in science lessons. Please choose **one** activity from either subject to complete.

The deadline for projects to be uploaded to Google Classroom or brought into school is **Monday 25<sup>th</sup> March 2024**.

#### South America

1. **Creatures of South America:** Research an animal indigenous to one of the South American regions studied and prepare a fact file about it.
2. **Totem Poles:** Design your own version of a Native American totem pole.
3. **Cooking:** Research South American dishes and recipes. Choose one to cook and present your learning in a format of your choice.
4. Read a book linked to our topic and prepare a summary to share with the class using VIPERS skills. Remember to include recommendations and your own thoughts on the book.

#### Living Things and Their Habitats

1. **Classifying Organisms:** Research the plants and animals that live in a particular habitat and classify them into groups.
2. **Science Quiz:** Create a quiz linked to the science vocabulary of classification.
3. Read a book linked to our topic and prepare a summary to share with the class using VIPERS skills. Remember to include recommendations and your own thoughts on the book.
