Just a reminder that after you have collected your children at the end of school day, it is your responsibility to supervise them.

Please can we remind you that the bicycle racks are not to be played on under any circumstances. Please note that if you allow your child to play on any equipment or bicycle racks in the school playground, it is at your own risk and the school will not be responsible.

and the positive and supportive attitude towards each other. Well done to Skylark class, it is lovely to receive such positive feedback from members of our community.

Family learning, through story telling and craft sessions for Reception

Year 5 Swimming

We were so thrilled that a Lifeguard commented on how amazing our first swimming group conducted themselves at Sunbury Swimming Pool. The guard was really impressed with the amazing behaviour that our children displayed

We were fortunate to be able to offer a free story-telling and craft session to parents and children in Reception this term. The session was delivered by Mrs Coleman, a teacher from APPS, who is also a Family Learning Tutor, to deliver positive learning experiences.

The story was Little Red Riding Hood and the children made masks and had fun with their families.

Bumped heads during school hours
