

# Year 3 Spring 2

## Home Learning

This half term we are going to be learning about 'Animals Including Humans' in Science and 'Rivers' in Geography.

Please choose one activity from either subject to complete and bring into class no later than Wednesday 27<sup>th</sup> March 2024.

### Rivers

- 1) Create a fact file about a river around the world. It could be a river in the UK or somewhere further afield.
- 2) Make a 3D model of the water cycle, labelling the different stages.
- 3) Write a poem about a river using a range of vocabulary and lots of exciting description.

### Animals Including Humans

- 1) Create a model of the human skeleton system. Make the main bones of the human body and label them, describing their function.
- 2) What does a healthy lunchbox look like? Draw and label a healthy packed lunch and explain the nutrients provided by each item.

3) Research the diet of an animal. Compare it to what you eat. What is different about it? Why does the animal eat what it eats?
