

Year 3 Autumn 1

Home learning

This half term we are going to be learning about Rocks in our science lessons and the Stone age, Bronze age and Iron age in History lessons. Please choose **one** activity from either subject to complete.

The deadline for projects to be brought into school is
Friday 17th October 2025

The Stone age Bronze age and Iron age

1. **Create a Prehistoric Timeline**
2. **Activity:** Make a large timeline on paper or cardboard showing:
 - a. Stone Age (Paleolithic → Neolithic)
 - b. Bronze Age
 - c. Iron Age

Add drawings or cut-out pictures of tools, homes, and clothes.

2. Make Your Own Prehistoric Tools

Stone Age: Use cardboard, foil, or sticks to make simple **hand axes or spears**.

Bronze/Iron Age: Draw or build models of metal tools.

Rocks

1. Go on a walk (garden, park, or around the home) and collect different rocks.

Observe and sort rocks based on **colour, texture, hardness, and appearance**.

Make a table or chart to classify rocks (e.g., smooth vs. rough, light vs. dark).

2. Research and make a mini booklet with pages for:

- Igneous rocks (e.g., basalt, granite)
- Sedimentary rocks (e.g., sandstone, limestone)
- Metamorphic rocks (e.g., marble, slate)
