

Year 4 Autumn 2 2025

Home learning

This half term we are going to be learning about the Ancient Egyptians in our English lessons and have been learning focusing on nutrition and cooking in DT lessons. Please choose one activity from either subject to complete.

The deadline for projects to be brought into school is Monday 8th December 2025

Ancient Egyptians/English

1. Create a poster or fact file to explain to Year 3 the similarities and differences between the early civilisations in Egypt and Britain and compare them, e.g. Egypt was more advanced in technology and writing.
2. Research two well-known Egyptian pharaohs and present your findings. Include: what a Pharaoh is, what their life was like, explain why your chosen pharaohs are remembered and include information about what happens to them and their possessions when they die.
3. Create a timeline including key events in Ancient Egypt's history.

Design & Technology – Cooking

Prepare and cook a savoury dish at home - find out where and how some of the ingredients are grown and create a fact sheet for your classmates. Include photographs of the dish you created and a comment to let us know how it tasted.
