AUTUMN TERM 2025

Kestrel Class	Osprey Class	Red Kite Class
Mrs Taylor and Miss Rafferty	Mrs Smith	Miss Brennan
Year 6 LSAs: Mrs Davis		

Welcome to Year 6! We hope you had a wonderful summer and that your child is back to school and ready to learn!

Year 6 is the final year of primary school before your child moves on to secondary education therefore the expectations of behaviour and learning are high. We welcome your support in the education of your child and we believe that working together will enable your child to effectively access the more challenging curriculum and prepare them for a smooth and successful transition to secondary school.

Home Learning

- We plan homework tasks very carefully to support and consolidate school learning. Therefore, it is vital that you support and encourage your child to complete the tasks sets and communicate with their teacher if they have any problems doing so.
- For additional information on the Year 6 curriculum, please refer to the Long Term Curriculum Overview for Year 6.
- All maths overviews can be located on the school website.
- All home learning for online platforms will be set from week commencing 15th September 2025.
- Information on home learning projects will be sent out shortly with an expected due date.

MathShed

- Mathematics
 - Mathletics tasks will be assigned for home learning each Thursday which must be completed by the following Thursday. This will be linked to the maths learning in lessons that week.
 - On a daily basis for at least 10 minutes, your child should practice their times tables using the Maths Shed site.

- English
 - Reading - Please ensure that your child reads daily answering the comprehension questions as they read. More details on reading books and reading records will follow.
 - Spelling – A Spelling Shed activity will be set each Friday and needs to be completed by the following Friday.
- **Usernames and passwords for online home learning will be glued into their Reading Record.**

PE Days & PE Kits

Our PE days are on Wednesday and Thursday for all of Year 6. **The expectation is that your child comes into school in their PE kit on those days.** Please ensure each item of your child's PE kit is labelled clearly with their name and that no jewellery is worn on PE days.

Marvellous Me

Marvellous Me will be used to send out key information as well as to celebrate your child's successes. It is essential that you are signed up to the app and that you check it regularly.

At APPS, we follow The Literary Curriculum with Literacy Tree, which places quality literature at the core of English teaching. Below are the texts that Year 6 will study over the course of the term. If you are able to discuss the books with your child as we study them, it would really support their learning. All books are available from bookshops and local libraries. Please refer to the whole school text overview on the school's website for the texts studied in the spring and summer terms.
