

Year 5 Summer 1 Home learning

This half term, we are learning about **Living Things and their Habitats** in our science lessons. In history, we are learning about **The Ancient Greeks**.

The deadline for projects to be uploaded to Google Classroom or brought into school is **Monday 18th May 2026**.

Living things and their Habitats

1. **Adaptation Poster** - Choose two animals from different habitats (e.g., a camel and a tree frog). Make a poster explaining: The habitat each animal lives in; Special adaptations that help them survive; What they eat and how they stay safe; How changes to their habitat (e.g., deforestation, drought) might affect them.
2. **Create a biome** (habitat) either in 3D, using craft materials or by drawing a picture. Perhaps you can include some of the animals or wildlife that live there.
3. **Key Vocabulary Puzzle** - Make or complete a word search or crossword with 10-15 key terms linked to living things and habitats, such as: ecosystem, microorganism, producer, consumer, decomposer, food chain, adaptation, environment, predator, prey.

The Ancient Greeks

1. **Gods Top Trump Fact File** - The Ancient Greeks believed there were lots of gods and goddesses, each of whom ruled over a particular area of life (for example Ares was the god of war, Athena was the goddess of justice and wisdom). Choose a god or goddess and see what you can find out about them. Make a Top Trumps card detailing all their key statistics. You could include categories like: strength, powers, temper, special abilities.
-
2. **What did the Ancient Greeks eat?** Their diet would have included lots of fish, olive oil, vegetables and bread. Find out the recipe for a Greek dish. Prepare the dish for your family at home and then write down what you thought of it. Did you enjoy it? Did your family like your Greek cooking? Ask an adult's help if you are using things in your kitchen.
 3. **Greek Topic Puzzle** - Make or complete a word search or crossword using 10-15 key words linked to Ancient Greece, such as: Olympics, democracy, myth, Athens, Sparta, temple, philosopher, Trojan, theatre, pottery.
