

Safeguarding Hotspot

PLEASE accept our apologies for constant reminders, however the fitness equipment and outdoor gym, is not to be used at the end of the school day. As a parent/carer, it is so nice to catch up with friends and be deep in conversation as your children climb all over the equipment, without your supervision, which may result in unnecessary accidents.

A huge well done to Hedgehog class for their class assembly this week. The children took us all on a whistle-stop tour through all their learning this term which included story writing in English, learning about time in Maths, life cycles in Science and a trip to Painshill Park. They somehow managed to fit in sitting the SATs tests as well! We are very proud of you all.

massive variety of sports clubs available, conducted a learning walk to look at the teaching of the 'Imaginative Learning Projects', guided reading, drama for writing, attendance AND met the new to APPS, Dormouse class children, parents and carers!
