'Inspiring a love for lifelong learning'

17th October 2018

Dear Parent / Carer

WORKBOOKS

This year we have some exciting new study books and workbooks that we would like to share with you for the children to use at home. The books available for each year group are on the form attached.

The books are available online and in bookshops, but the company concerned offer them for parents to buy through the school at a substantial discount.

If you would like us to order copies for you, please complete the slip below and return it to the office together with the **correct amount (cash or cheque only)** in a **clearly labelled, sealed envelope** by Friday 16th November. Due to the volume of orders, **unfortunately we are unable to give change.**

Please note: we will only be making **ONE** order for these books and that order will be sent off on Monday 19th November. We do not keep a stock of these books in school and if you do not order in time you will have to buy them from a bookshop at the full price. Therefore, the absolutely latest date by which you must have your slip and money into school is **Friday 16th November.** We anticipate delivery in December and aim to despatch them before Christmas.

Yours sincerely,

Mrs S Tarrant
