21st November 2018

Dear Parents & Carers

KS1 Christmas Celebration 2018
Wednesday 12th December at 9.45am and 1.45pm

We are delighted to invite you to our Christmas celebration, which will be held in the hall at Ashford Park School.

We are expecting the performances to be very well attended and so that we can make it a pleasurable experience for performers and audience alike, we are able to offer **2 tickets per family, if you would like only 1 ticket please note this on the form**. There may be extra tickets available and these will be allocated after the deadline, please indicate how many extra tickets you would like if they are available. You may have one ticket for two different performances or two tickets for any one performance. We will try and accommodate your first choice, but please understand that there are only a certain amount of tickets available for each performance. Both performances are identical.

As you are aware, the children are working very hard to celebrate Christmas and we are looking forward to welcoming you to the celebration. We would like your co-operation in taking the following into consideration:-

- If possible please do not bring younger children to the performance – we endeavour to minimise noise and movement within the audience.
- If you wish to use a video camera, please stay in the area at the back of the hall, which will be clear of chairs for the whole of the performance. Please do not sit in the main part of the hall if you wish to video. You are, of course, welcome to use still cameras before or after the performance starts but not during it please, as camera flashes can be quite distracting for children.
- **Please remember that if photographs or video recordings are taken at a school event, these should be kept for family use only and must not be uploaded to social media.**

Yours sincerely,

KS1 Team
