

Ashford Park Primary School

'Inspiring a love for lifelong learning'

11th March 2019

Dear Parents/Carers,

Year 1 have the wonderful opportunity to further their learning in the areas of geography and science by taking part in an onsite dinosaur workshop. This is linked to our topic 'Dinosaurs'. This topic will be studied after the Easter holidays. Your child will partake in a number of activities that will inspire their love of learning and further their knowledge of dinosaurs. **We would love for this workshop to remain a surprise for your child as it is a very exciting experience.**

Educational workshop: Dinosaur Workshop
Date of workshop: Tuesday 23rd April
Purpose of the workshop: Geography and Science
Dress: School uniform
Contribution: £9.50

If you agree to your son/daughter participating in the workshop, would you please complete and sign the accompanying form and enclose your voluntary contribution.

Please return the form and your voluntary contribution to the school office, or to his/her class teacher in a sealed envelope, clearly marked:

Year 1 – Dinosaur Workshop with your child's name and his/her class, by Friday 29th March 2019.

PLEASE NOTE THIS WORKSHOP IS AVAILABLE FOR PAYMENT ONLINE. Cheques should be made payable to Ashford Park Primary School.

Our programme of extending the curriculum has been highlighted by OFSTED as one of the things that the school does particularly well. However, whilst we feel that the programme of workshops is very important to the children's learning, we also appreciate that it requires a sizeable financial commitment from parents. We would therefore encourage parents who experience difficulty in making necessary contributions to arrange to see Sarah Tarrant, Head teacher, in confidence, at the earliest opportunity, as the school is able to assist in cases of hardship. The School's Charging and Remissions Policy outlines the terms and conditions under which parents can receive financial support; this is available from the school office.

If you have any questions or queries about this workshop then please do not hesitate to contact your child's class teacher.

Yours sincerely,

Mrs Maxfield, Mr Bloomer, Mrs Stride-Noble and Miss Swain
Year 1 Team
