

## Ashford Park Primary School

'Inspiring a love for lifelong learning'

4<sup>th</sup> June 2019

Dear Parents and Carers,

PSHE (Personal, Social and Health Education) is an element of our curriculum which provides children with additional knowledge and skills as they grow. Working in partnership with you, we aim for children to thrive as individuals, as part of a family and as a confident member of the wider community.

PSHE teaching across the school has been guided by a new framework we have purchased entitled Jigsaw. The content and teaching approaches were carefully considered by a specialist team and fit our school ethos and values. Feedback through the year, from children and staff, has assured us that it has been a good choice. Children have been actively engaged in the lessons, confident to ask questions and able to share their knowledge and views about safe and healthy choices in daily life.

Next half term, the learning theme is relationships and sex education and we ask that you read the attached document that outlines the content. Contact the class teacher in the first instance if you have any questions or queries or if you would like to see the learning resources.

Kind regards,

The PSHE Team

Headteacher: Mrs Sarah Tarrant
