

Evie Hall

We are delighted to inform you that Mrs Sam Hall and her husband, are delighted to announce the safe arrival of their beautiful daughter Evie, who was born on Sunday 22nd September. We send our love to Mrs and Mr Hall, big brother Ciaron and of course Evie.

Parking around the school site

Please park considerably in the roads surrounding the school site and do not block neighbours drives. To save congestion, it would be appreciated if Parents / Carers could park a few roads down and walk to the main gate.

Thank you for your support.

Technology Learning

"I enjoyed the computing with Mr Baker because it is getting us ready for

secondary school and the things he is teaching us are really fun."

By Liana P

"Computing is really fun because you get to try out different opportunities to play hopscotch and create pictures using stencils, the stencils create a lovely pattern and you can even make your own games."

Living Streets WOW Scheme

Jonny and Strider came to school to launch this year's Living Streets WOW scheme. Every

day the children use the Travel Tracker in class to register how they have arrived at school. The children need to travel by Foot, Bike, Scooter or Park & Stride (parking further away from school and walking the rest of the journey) once a week, for a month to be able to earn a badge. Each month they will be able to earn a new badge. We would like to encourage parents/carers to encourage this mode of travel everyday with their children to prevent congestion at the school gates at the beginning and end of the school day. Please be mindful of where you park if you do drive to school in the morning, please don't park across our neighbour's driveways or block other car users in.

Roald Dahl Week

"In Roald Dahl week the whole school dressed up as characters from his books. Lots of people were Sophie from 'The BFG', a witch from 'The Witches' and Mr Willy Wonka from 'Charlie and the Chocolate Factory.' In Year 6 we did a setting description on the chocolate room from Charlie and the Chocolate Factory. It is

a room with a chocolate river where everything was edible – even the grass."

Parent Governor Vacancy

Working in partnership with our Governors is an important part of school life. Please see attached information concerning our Parent Governor vacancy.

Try a School Lunch Day

On Thursday 3rd October we are holding a 'Try a School Lunch Day' for the KS1 children.

The menu for the **whole school** on this day will be:

Great British Pork Sausages served with mash

or

Vegan chicken style nuggets served with mash

Both options are served with sweetcorn and

baked beans followed by a shortbread biscuit.

Your child is entitled to a Free School Meal if they are in Reception, Year 1 or 2.

On 3rd October **ALL** children from these year groups will be able to try a school lunch, freshly prepared in our on-site kitchen. If your child usually brings a packed lunch they may still do so, but will also have the opportunity to sample our delicious school lunches.

Harvest Assembly

We are holding a Harvest Assembly on the 11th October for the children.

Any donations of non-perishable foods / tins would be appreciated on the 9th, 10th and 11th October. We would be grateful if the children could take the items into class with them.

The goods will be given to the Salvation Army, who forward them onto help people less fortunate than ourselves.

Achievement

Interesting word of the week: *PASSISM*

= Used in notes for a book or article for showing that something

is mentioned in many places in it.

Pobble

The class Pobble authors for this week are:

Finley P – Kestrel

Lily P - Osprey

MAC – Making Attendance Count

Whole School Attendance 96.6 %

Congratulations to the joint Top Ted winners last week being Mole Class and Hedgehog Class with 99.3%.

Congratulations to the Top Dog winner being Kestrel Class with 99.3%. Fantastic!
