### Teachers reviewing the taught curriculum

Over this summer term, the teachers have been reviewing our taught curriculum in readiness for September.

Our mission statement of 'Inspiring a love for life-long learning' is at the heart of everything that we do at Ashford Park as we are dedicated to preparing all of our pupils to be successful and active citizens of the ever-changing world around them.

We provide a broad and balanced education to best prepare our children to be successful future citizens - academically, socially and economically.

Through a variety of rich learning experiences, our children are encouraged to become independent thinkers who challenge stereotypes and celebrate diversity.

All aspects of our curriculum are accessible to all children, irrespective of their ethnic background, gender, disability,

religious or linguistic background. We strive hard to meet the needs of those pupils with special educational needs, those with disabilities, those who are academically high attaining, those with special talents and the children who are learning English as an additional language. We provide a rich, challenging curriculum, which stretches all of our children.

Please find the link to our website for all areas of our curriculum provision: [Ashford Park Primary School - Curriculum \(ashford-park.surrey.sch.uk\)](http://Ashford Park Primary School - Curriculum (ashford-park.surrey.sch.uk))
