'Inspiring a love for lifelong learning'

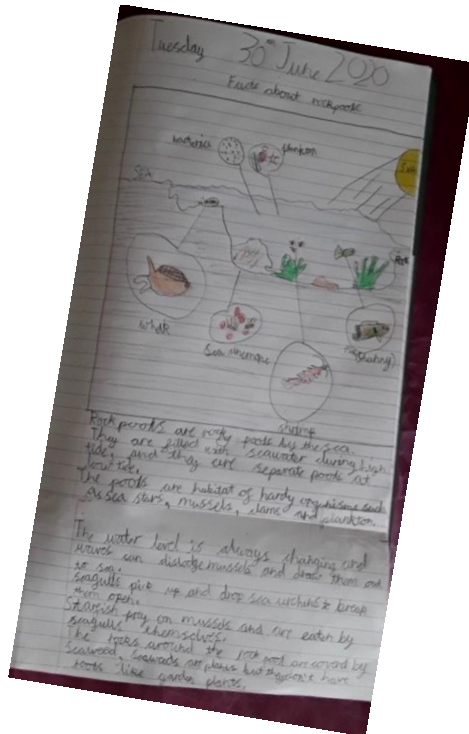

3rd July 2020

Year 2

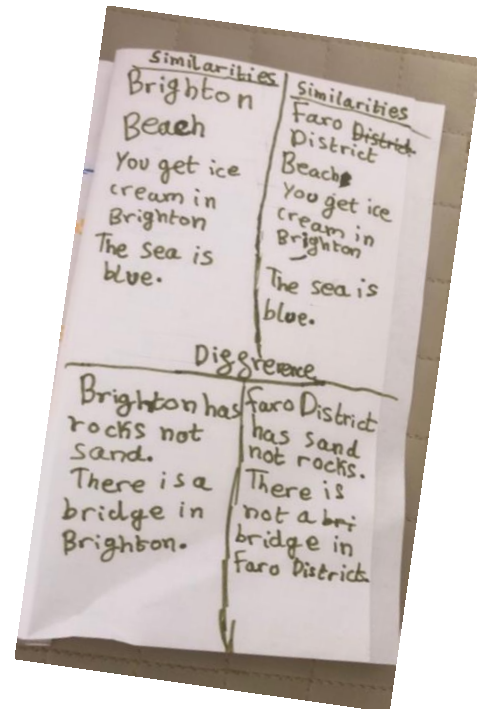

Thomas is still growing his sunflowers and has been growing potatoes and tomatoes too!

Caleb has researched all about rock pools

Mayra has been comparing beaches in England to beaches in other countries

Jasmine has written a song about her favourite food

Oh The Best Food in the World
Is my Mum's spaggy Bol
I eat it every day
When I'm reading Roald Dahl
I eat it on the bus, I eat it in the bath
I eat it everywhere
I'm really not having a laugh!

Year 5

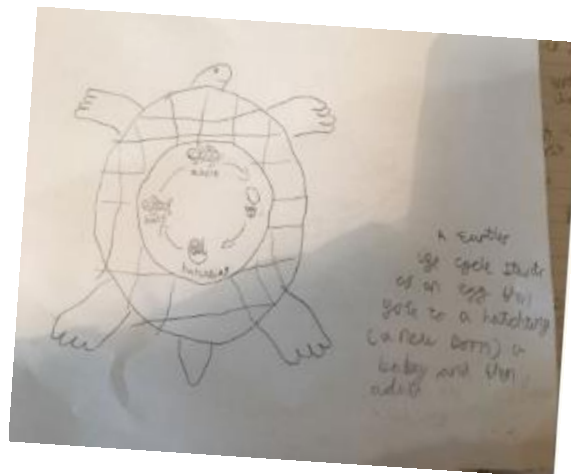

Khaliq made a Viking long ship from playdoh

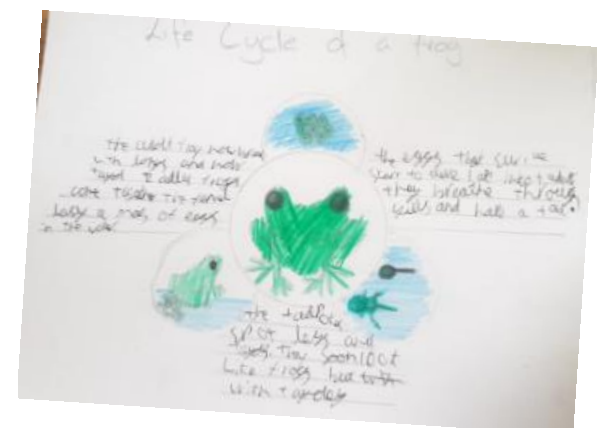

Chloe S has made a Stone Age bone necklace

Freya's brilliant lifecycle of a turtle

Harry's fantastic lifecycle of a frog

A snapshot from Alex W's Hogwarts film which was filmed in French!

Acorn Centre

Roman has been an absolute superstar with his learning and has completed every task we have set!

Jay has been amazing and has been using his new mud kitchen to support his learning about weighing, measuring and capacity.

Thank you for sending us pictures of the amazing things you have been doing at home..... it really makes us smile when we receive your messages! 😊
