

Ashford Park Primary School

'Inspiring a love for lifelong learning'

5th January 2021

Dear Parents and Carers,

In light of last night's announcement from the Prime Minister issuing the 'Stay At Home' order with effect from midnight, we write to inform you that Ashford Park Primary School will be closed on Wednesday 6th January 2021 to all children except those who absolutely **cannot be cared for at home** because of their parents' critical role in managing the Coronavirus pandemic. The remote learning offer will be available to all of our remaining children.

Over the next 24/48 hours we will be contacting all parents to identify those children who are deemed 'vulnerable' & whose parents are Critical Workers as per the Government guidance issued on 31st December 2020: [Critical workers guidance](#). We will also be identifying staffing levels and premises availability, and implementing all necessary plans to accommodate those children in school as well as the remote learning offer. With effect from 6th January for the duration of the current Lockdown, those children identified as vulnerable or whose parents are Critical Workers are the only children who will be eligible for a place at school, and only if there is no-one else to care for them at home.

We apologise for the inconvenience this may cause but ask for your understanding regarding the exceptionally tight timescales that we are working with.

Yours faithfully

Sarah Tarrant
