

Safeguarding Hotspot

After you have collected your child/ren from the classroom, please keep them with you until you leave the premises. This is especially important around the year 4 outdoor areas, where we request that the infant children do not play with the year 4 equipment, due to the cross contamination of equipment within the specific bubbles.

May we also ask, that you do not allow your children to run towards the exit gates, as it is very busy and large clusters of people leave at the same time, so it would be very hard for us to spot a lone child if they leave in a crowd, especially at the Queens Walk gate.

We value your support in keeping our children safe.

'Beacon of remembrance', one minute for one year 23rd March 2020 – 21st March 2021

Time flies despite us remaining in lockdown; yet on Tuesday 23rd March, and as a school, we reflected upon the past year of COVID-19 and the impact upon us all with both happy and

sad emotions, commemorating with yellow and blue ribbons tied to our school fence.

Parent / Carer resources

As promised we have a growing parent / carer library, with informative books that you are welcome to borrow at **any** time: [Parent support](#). Please contact

the office and we will arrange 'delivery' to you.

This week we have been talking to all of the children about how to keep themselves safe when they are out of the home. We have reminded them to always stay close to and where they can be seen by their trusted adult when they are out and to never talk to or go anywhere with an adult who they do not know. Please talk to your children about this at home too.

Arts and Music Easter Activities with Surrey Arts

Following the success of last summer's online music and art activities (SMASH) Surrey Arts will be running an exciting week of workshops and videos from Monday 12 – Friday 16 April. These activities will include music production & music composition,

multiple singing workshops, arts workshops, piano tasters, Celtic folk strings and much, much more. Registration is required for the live sessions and you can watch the recorded video tuitions for free by following Surrey Arts on social media. [The timetable and registration details are now available.](#)

COVID-19 testing for households and bubbles of school pupils and school staff

Anyone who is in the same household, childcare bubble or support bubble as a school or nursery pupil or someone who works in a school, nursery or college, is eligible for twice weekly symptom-free testing.

Please note, children and young people will continue to be tested via their school or college testing scheme. School and college staff can access home testing kits via their workplace.

Please read 'How to get a test in Surrey' and full details; [COVID-19 Testing for households and](#)

Surrey County Council Safer Travel Survey

We have been asked to distribute a school travel survey for the Safer Travel Team at Surrey County Council.

The goal for this research is to gain an understanding of pupils' different types of travel, how frequent they use each type and what can be done to support them in travelling to school more actively in the future. Please see the survey link below:
