Mental Health Awareness Week

The theme of this year's Mental Health Awareness Week is nature. Getting out in the fresh air and enjoying nature has been a major coping strategy for many of us

throughout the past year.

Throughout this week, we have been exploring the grounds of the school and understanding how nature can help us regulate our emotions and thoughts. We listened to the sounds that nature provides us with and used natural materials to make Emotion Faces.

A date for your diary!

On Wednesday 19th May we will be welcoming back Marilyn Hawes, Founder and CEO of Freedom from Abuse, to further educate children in years 3 to 6 about how to keep themselves safe both on and off-line.

Marilyn is passionate about keeping children safe and delivers the most up-to-date research on how to do so. Marilyn was awarded "The Most Inspirational Woman of 2017" for the work she has done in educating schools, parents and children.

Workshops for children will be delivered during the day.

Staff will have training from 3.30 pm and we are inviting all parents (not children) to attend an information sharing

session from 5.30 to 6.30pm via Teams. The content is mainly appropriate for children in Year 3 and beyond but the session is open to all parents in the school. All sessions will be delivered via Teams.

We have started a new year with the Living Streets WOW Scheme. The children can earn a new badge each month by coming to school in a healthy way. In March and April, the children of Ashford Park Primary School earned badges and were able to see how they did using the Living Streets WOW Travel Tracker.

We have also received a new trophy!

In March the top 3 winners were:

- 1st Swift
- 2nd Fox
- 3rd Badger

In April the top 3 winners were:

- 1st Swift
- 2nd Moorhen
- 3rd Heron

The children need to arrive in school once a week in a healthy way and log this information in class to earn themselves a badge. Come on everyone let's get walking!
