Please may we ask that you do not prop the front pedestrian gate open. We have a system in place to ensure that Parents / Carers of children attending clubs can safely enter the site. Thank you for your support.

Year 3 Butser Ancient Farm trip

Year 3 had the exciting opportunity to visit Butser Farm, where the children were able to explore an historical site, with a specific focus on the Stone Age to Iron Age.

Year 3 children enjoyed four different workshops, which included an archaeological dig, building using ancient methods, chalk carvings and weaving.

Our visit to Butser Farm, supported our understanding of history and our Imaginative Learning Project, which is called, 'Tribal Tales'.

After we arrived by coach, we went into the Roundhouse and learned some of the key facts about the Stone Age, Bronze Age and Iron Age.

We then enjoyed a tour around the farm. Next,

we went to experience archaeology. I found loads of stones, bones and teeth!"
