

Safeguarding Hotspot

Please see the attached Safeguarding Alert regarding 'Slenderman'.

Acorn Centre temporary building

We are 'expecting' to undergo building works over half term and onwards, as the Acorn centre is due to receive a temporary building, whilst the main centre over time, undergoes enhancements. Please be advised that these works may commence over the February half term and continue throughout the remainder of this spring term.

The temporary building is due to be positioned on the field in close proximity to the current year 2 and 3 buildings. A temporary road will be installed over the field from the Queens Walk gate. We have been assured that construction vehicles and contractors will only use this access point at times when our children and community will not be present. Thank you for your patience and understanding during this period of change.

Reception learning

In Reception we are learning new sounds and using them to write words and sentences independently.

We have been using the BeeBots to investigate direction and programming during our work about maps.

In maths we have been practising counting and then comparing two groups of objects to find which group has the most.

Moorhen Published Authors!

Well done to the children from Moorhen Class who have received the exciting news that they are going to become published authors.

The children entered a writing competition with the theme of 'Adventures' and their pieces have been chosen to be included in a book

with the other competition winners. What an incredible achievement!

Do something for you in 2022!

Enrolments for Surrey County Council ONLINE courses starting from February are now open. They have plenty of courses to help support families. All Family Learning courses are FREE and can support:

- Parenting
- Reading
- Wellbeing
- Managing anxiety
- Understanding children's behaviour
- Getting to grips with maths and phonics
- English for parents/carers as an additional language

Spaces are limited so we do encourage parents and carers to sign up early. There is further course information on our [website](#).

MAC – Making Attendance Count
Whole School Attendance 93.6%
Congratulations to the

Top Ted winners last week being Hedgehog Class with 97.1%. Congratulations to the Top Dog winner being Heron Class with 98.7%. Fantastic!
