

YEAR 6 NEWSLETTER

SUMMER TERM 2022

Kestrel Class	Osprey Class	Red Kite Class
Miss Hannick	Mrs Taylor	Miss Swinburn
Year 6 LSAs: Mrs Pfiffner, Miss Miller, Mrs Khan		

Welcome to Year 6! We hope you had a wonderful Easter and are back ready to learn!

Year 6 is the final year of primary school before your child moves on to secondary education therefore the expectations of behaviour and learning are high. We welcome your support in the education of your child and we believe that working together will enable your child to effectively access the more challenging curriculum and prepare them for a smooth and successful transition to secondary school.

Home Learning

- We plan homework tasks very carefully to support and consolidate school learning. Therefore, it is vital that you support and encourage your child to complete the tasks sets and communicate with their teacher if they have any problems doing so.
- The new Imaginative Learning Project (ILP) curriculum map will be sent out shortly with a due date for the home learning project. This is an opportunity for you to work with your child to create something special that they are proud to share with the class. Please encourage your child to consider the presentation of their learning as this is an expectation in school. The children will continue to share their home learning from the Google Classroom platform.

- Mathematics
 - Mathletics tasks will be assigned for home learning each Thursday which must be completed by the following Thursday. This will be linked to the maths learning in lessons that week.
 - On a daily basis for at least 10 minutes, your child should practice their times tables using the Times Table Rock Stars site.

- English
 - Reading - Please ensure that your child reads daily on Bug Club answering the comprehension questions as they read. More details on reading books and reading records will follow.
 - Spelling – A Spelling Shed activity will be set each Friday and needs to be completed by the following Friday.
- Usernames and passwords for online home learning have all been issued.**

PE Days & PE Kits

Our PE days are on Mondays – Kestrel, Tuesdays – Red Kite and Osprey and Fridays – all Year 6. **The expectation is that your child comes into school in their PE kit on those days.** Please ensure each item of your child’s PE kit is labelled clearly with their name and that no jewellery is worn on PE days.

Pencil Cases

Children are permitted to bring in a small pencil case. If your child’s pencil case is too large to fit in their tray, then it is not suitable for school and will be sent home.

Marvellous Me

MarvellousMe will be used to send out key information as well as to celebrate your child’s successes. It is essential that you are signed up to the app and that you check it regularly.

Remember to check if your child is a published author on Pobble!

ID	Frozen Kingdom	A Child's War
Spring 2	Summer 1	Summer 2
		
Darwin's Delight	Blood Heart	Hola Mexico

Class Texts

At APPS, we follow The Literary Curriculum with Literacy Tree, which places quality literature at the core of English teaching. Below are the texts that Year 6 will study over the course of the term. If you are able to discuss the books with your child as we study them, it would really support their learning. All books are available from bookshops and local libraries. Please refer to the whole school text overview on the school's website for the texts studied in the spring and summer terms.

Summer 1		Summer 2
		
Pig Heart Boy Malorie Blackman	The Unforgotten Coat Frank Cottrell Boyce	A Beautiful Lie Irfan Master

Celebration of Spring Term Learning

				
<p>In our ILP A Child's War, we completed research on areas of the war that interested us and created a poster we presented as a group to the class.</p>	<p>In our ILP A Child's War, we enjoyed our trip to Lincolnsfield for 'The Forties Experience'.</p>	<p>We enjoyed making a chocolate cake using a recipe from World War II where they had no eggs or sugar to make it due to rationing.</p>	<p>We enjoyed researching Darwin and finding out how animals have adapted over time.</p>	<p>In art, we enjoyed using a new media - watercolour paints, to draw flowers that Darwin discovered.</p>

For further information or queries, please check the school's website or Twitter accounts.
