Welcome back to Reception!

The children loved our last ILP Dangerous Dinosaurs in which they made their own volcano experiment, voted for their favourite dinosaur and compared prehistoric animals with today's animals. They learned about number bonds to 5 and became human scales!

As we near the end of our time together in Reception, we have been delighted to see how far all of your children have come and therefore, the expectations of behaviour and learning are high! We welcome your support in the education of your child and we believe that working together will enable your child to effectively access their full potential.

Reception Imaginative Learning Project Topics – Engage, Develop, Innovate and Express

Autumn 1	Autumn 2	Spring 1
Me and My Community	Starry Night	Big, Wide, World
Spring 2	Summer 1	Summer 2
Dangerous Dinosaurs	Once Upon a Time	Sunshine and Flowers

These are the books that we will be sharing over the year. If you are able to discuss the books with your child as we study them it would really support their learning. All books are available from book shops and local libraries.

Home Learning

- As the children prepare for Year 1 it is especially important that we share with you what they are learning in school and continue that learning journey at home, in real-life situations. We send out an activity per week per week which should be completed via the Seesaw app <https://app.seesaw.me>
- Reading books – Please continue to read daily with your children, recording a comment in the Reading Record book about how your child has read each time. Once children are blending we assign e-reading books online using the e-Collins website. They should read this book to you and we will send a story book, for you to read and share with them.
- Wow vouchers – Please continue to use the “Wow” vouchers whenever your child has achieved something new and significant for them at home, or learnt a new task. Simply respond to the Seesaw post and we can share these with the class.

- Please make sure that you have all signed up for Marvellous Me and look out for our messages as we enjoy celebrating your child’s successes.

PE Days & PE Kits

PE will start in the first week of term and our PE day is Monday. **The expectation is that your child comes into school in their PE kit on those days.** Please ensure that your child removes their earrings, or they will not be able to take part as their safety and care is so important to us. Please ensure each item of your child’s PE kit is labelled clearly with their name!
